**Grapes, Grapes and More Grapes!**  
Thanks to the 15 volunteers and awesome staff, the harvest season at Crow Vineyard was a super success. We just finished harvesting Barbera, Chardonnay, Vidal Blanc and Merlot for a total of 19 tons of premium, home-grown wine grapes.

*Harvest 2015*

Our Barbera was just picked, n sorted and is now in tank. To date, we have 1,400 cases of Crow Wine in various stages with more to come, and another 1,800 cases for other local boutique wineries that we host. This year we will produce 3,000 cases of Crow wine and 5500 in total. We are looking forward to an impressive 2015 vintage filled with more award winning Crow Vineyard wine!

*Brandon & Japhy*

The Vidal and the Chardonnay have been pressed and are fermenting in tank and barrel respectively. The Merlot has finished fermentation and will soon be barreled.

*Sorting Volunteers 2015*

## CrowFest— A Huge Success

The First Annual CrowFest Farm and Vineyard Festival exceeded all expectations. More than 325 visitors enjoyed great wine, food, 15 vendors, grape stomping, tours of the farm, vineyard & winery, hay rides and music. Keep your eyes open for the 2016 CrowFest next fall.
